ABOUT US (MOIG) was initiated by the International Petroleum Industry Environmental Conservation Association (IPPCA) in 1992, following a joint Oil Spill Preparedness and Response Seminar organized by the International Shipowners’ Association (ISFA) and IFPPCA in Geneva in 1990, whose commitment was made to establish a voluntary network in the Mediterranean region. The first meeting took place in Rome in 1993. The Permanent Secretariat is currently based in Tunis following a TUNIS/CAED Agreement signed by MOIG and CAED on 20th November 2017. The Mediterranean Oil Industry Group (MOIG) is a Regional Oil Industry Forum on Oil Spill Preparedness, Response and Remediation for the Mediterranean Region to ensure Industry Coordination in the event of Oil Spill in the Mediterranean Sea.

MOIG Membership

MOIG welcomes any new member’s oil companies and is also open to companies and associations that work with oil industry in preventing and responding to oil spills in the Mediterranean Region. For further information on membership, please contact the MOIG Secretariat or visit the MOIG Website at www.moig.org.

GUIDING PRINCIPALS

Mission and Vision

To promote regional cooperation, within the oil and gas industry and between governments and industries of all Mediterranean countries.

To enhance preparedness and response to oil spill incidents in the Mediterranean region by acting as regional forum for information.

To strengthen member’s ability to prepare for and respond quickly and effectively to oil spill incidents.

To exchange and discuss on oil spill matters by establishing reliable technical partners and members resources, equipment and expertise for education and training.

To facilitate effective oil spill response partnership relations between members.

To enhance support and work with international organizations.

To improve the collection, analysis and dissemination of data related to oil spill prevention, preparedness and response.

To develop and disseminate best practices in oil spill preparedness and response continuously improved by feedback from members and technical partners.
